

ADVENTURE PROOF PACKING SYSTEMS

FOR MOTORCYCLES/2016

“ The best hard-core saddlebag and tank-bag solution we’ve found is from Giant Loop... There are cheaper solutions to carrying stuff, but these American-made pieces have been over mountains and across deserts with no issues.”

– Cycle World Magazine

2016 Giant Loop Adventure Proof Packing Systems

Page	Product Name	Part #	MSRP	Description	Color / Size Options	Total Volume (liters)	Waterproof	Weight (lbs)	Dimensions (in.) (H x L x W in.)	Primary Application*

9

1 Tiffany Coates, United Kingdom

World's most traveled solo woman motorcyclist, she's ridden on every continent but Antarctica - most of it on her trusty BMW R80GS, "Thelma."

2 Paolo Cattaneo, Italy

Recently completed an 8 month, 4,000km circumnavigation of the perimeter of Australia, as well as Tasmania and Ayers Rock.

3 Danell Lynn, United States

1 Woman... 1 Bike... 1 Year... all 50 US States and Canada... Guinness World Record attempt completed on a classic Triumph Bonneville .

4 Alessio Corradini, Italy

Italian moto photojournalist Alessio Corradini covers the Africa Eco Race and other rally events in North Africa and Europe, riding his bike right along with the racers to capture visually dynamic, beautifully lit and composed images that capture the essence of rally racing.

5 David Darcy, Australia

Completed unsupported Simpson Desert crossing in Australia's Outback - "unfinished business" from his London to Sydney ride in 2012.

6 Alberto Lara and Naomi Tweddle, Canada

Alberto and Naomi Lara's 2014 Peru trip: 22 nights camped. 3,724 kilometers ridden. 202 hours of riding. Rented 200cc Keeway motorcycles.

7 Jenny Morgan, United Kingdom

Completed a 50 day, 12,000+ mile coast-to-coast (returning on the Trans America Trail) proof of concept ride on the new Rally Raid Products Honda CB500X Adventure, the TransAm 500 Tour. Giant Loop is the exclusive North American distributor for the new Rally Raid Products Honda CB500 parts and kits.

8 Jaume Von Arend, Spain

Multiple tours of Morocco and "Transiberica" off-road adventures in southern Europe.

9 Paul Pitchfork, United Kingdom

After serving 18 years in the British Army, he's enjoying his freedom, exploring South America on motorbike and writing about his travels.

Maybe our mission is bigger...

We can change the world
We can change motorcycling
We can make the tools of discovery

Two wheels make the world go round
We are modern explorers
We are emissaries of peace
We unite the world
We make life richer and better for all of those around us, with each interaction

We do not make baggage
We make tools for travel and exploration on two wheels
It's more than recreation
Travel and exploration - even if it's one's own "backyard"
We open new worlds of options

How? With intuitive, functional, durable products that require little more than "plug-and-play" enjoyment

We free people from their metal cages and work-a-day lives
We build friendships

We improve marriages, relationships and family life

We can teach a new generation that the world is connected as never before
The common person can do uncommon things

We are nomadic bands of global misfits
We don't want to fit in, we want to break out

Will you ride with us?

GAS BAG FUEL SAFE BLADDER

Collapsible fuel transport container for racing

PART NO. FSB16
MSRP \$99

1
GALLON

AVAILABLE EXCLUSIVELY FROM GIANT LOOP

Note: Mounting hardware not included.

Giant Loop's Gas Bag Fuel Safe Bladder conveniently transports 1 gallon of hydrocarbon fuel for power sports in a collapsible welded film and ballistic nylon reinforced container that rolls up or packs flat when empty, weighing less than 1 pound. The Gas Bag Fuel Safe Bladder is designed specifically to integrate with Giant Loop packing systems, and the Gas Bag Fuel Safe Bladder fits virtually any pannier or rack. Gas Bag Fuel Safe Bladders are compatible with motorcycles, snowmobiles, snow bikes (e.g., Timbersled), ATVs, UTVs and 4x4s, providing a lightweight, compact means of transporting gas for off-road racing on closed courses. Each Gas Bag Fuel Safe Bladder is individually pressure tested and made in USA by Fuel Safe, a leading racing fuel containment manufacturer based in Oregon. Materials & Construction: Welded film bladder sewn into ballistic nylon sleeve with webbing daisy chain anchor points and handles.

NOTE: Intended only for the temporary transport of liquid hydrocarbons for racing vehicles used in professional off road and closed course competition racing events. The Gas Bag Fuel Safe Bladder is not a portable or long-term fuel storage container as described by ASTM, EPA, ARB or other state or federal agencies.

ROUND THE WORLD PANNIERS

PART NO. RTW16
MSRP: TBD

89
LITERS

WATER PROOF

Hard mounted soft panniers compatible with most luggage rack systems.

Round The World Panniers combine rack-mounted convenience with the benefits of soft luggage for long haul adventure travelers. Waterproof, lightweight, super stable and built to take the punishment of off-road riding, the Round The World (RTW) Panniers deliver 89 liters of packable volume and weigh less than 15 pounds. The RTW Panniers mount to virtually any motorcycle luggage rack system using the rack manufacturer's hardware, making them compatible with virtually any hard luggage mounting system. Main compartment rolls closed, additional gear can be secured to outside of Panniers with compression flaps, and two huge pockets (one roll-top, one open top with draw cord) provide quick access to essentials. Includes two waterproof inner liner Dry Pods.

TRACKER PACKER

Ruggedized holster for SPOT Gen3

PART NO. TKP15
MSRP \$40.00

"Thinking about picking up a Spot Gen3 GPS-enabled location tracker and emergency beacon for your off-road adventures? Well, be sure to check out the Giant Loop Tracker Packer to carry it in, the first officially endorsed safety product from the Kurt Caselli Foundation."

— Dirt Rider Magazine, "Cool Product of the Month," June 2015

Giant Loop donates a portion of all Tracker Packer sales to the Kurt Caselli Foundation!

Working in conjunction with 4-time Baja 1000 winner Quinn Cody and the Kurt Caselli Foundation, Giant Loop developed the Tracker Packer™ to help keep off-road racers safer. Giant Loop donates a portion of all sales of the Tracker Packer to the KURT CASELLI FOUNDATION!

Stay safer in the backcountry during all of your outdoor adventures — motorcycling, snowmobiling, hiking, backpacking, climbing, biking, boating — with help the push of a button away. The super rugged and secure Tracker Packer firmly attaches the SPOT Gen3 device to your pack's shoulder strap, handlebars, fork tube, arm or many other locations.

NOTE: Wearing the SPOT on your body with the unit in a horizontal position is the best practice.

This simple system represents peace of mind for you and the people who care about you!

Compatible with the SPOT Gen3 device only. Fits virtually any motorcycle make/model — dirt bike, dual sport, enduro, adventure touring and sport bike — as well as most backpacks, snowmobiles, mountain bikes, etc.

INCLUDES extension strap to wear around arm.

GREAT BASIN SADDLEBAG™

PART NO. GBSB14
MSRP \$450.00

Carry your gear where the passenger would sit on your bike – fits virtually any motorcycle designed to carry a passenger.

“These are stoutly built products and their durability has been tested around the globe.”

— Expedition Portal, “Field Tested: Giant Loop Great Basin Saddlebag”

Carry your gear where the passenger would sit on your bike – the Adventure Proof Great Basin Saddlebag fits virtually any motorcycle designed to carry a passenger. Straps to passenger footrest mounts and rides on pillion seat. Organize gear into multiple easy-to-access compartments with optional Tillamook Dry Bag and Possibles Pouches secured to the Great Basin’s integrated compression straps and lash loops.

60
LITERS

WATER
PROOF

Set of three 100% Waterproof Great Basin Dry Pods included with the Great Basin Saddlebag.

INCLUDES ONE Hot Springs Heat Shield (laser-cut aluminum) + stainless steel clamp

Features cable lock pass-through to secure bag to bike while parked (optional Giant Loop QuickLoop 84" cable shown)

COYOTE SADDLEBAG™

Straps onto frame/subframe of dirt and dual sport motorcycles – rides on rear fender and/or tail rack.

PART NO. CSB14
MSRP \$360.00

The choice for hardcore off-road expeditions. Carry gear for multi-day trips — and still work the entire saddle. Rides on rear fender and/or tail rack. Straps on to dirt bikes and dual sport motorcycles, no passenger pegs required. Organize gear into multiple easy-to-access compartments with the optional Rogue Dry Bag and Possibles Pouches secured to the Coyote Saddlebags integrated compression straps and lash loops.

"The best hard-core saddlebag and tank-bag solution we've found is from Giant Loop... There are cheaper solutions to carrying stuff, but these American-made pieces have been over mountains and across deserts with no issues."

—Cycle World Magazine

Set of three 100% Waterproof Coyote Dry Pods *included* with the Coyote Saddlebag.

INCLUDES ONE Hot Springs Heat Shield (laser-cut aluminum) + stainless steel clamp

MOJAVI SADDLEBAG™

Straps onto frame or subframe of dirt and dual sport motorcycles. Rides on rear fender or tail rack.

PART NO. MSB2
MSRP \$225.00

ADVENTURE
PROOF

14
LITERS

Does not include center tool pouch. (Optional accessory, see page 31, Ochocho Enduro Tail Pack)

Take a load off! Improve rider endurance and comfort by taking the weight out of a backpack and putting it on your dirt bike, dual sport or supermoto motorcycle. Specifically designed to carry just the essentials needed for a day trip or trail ride, the MoJavi Saddlebag is the slim, trim bag for inner tubes, tools, fluids and other “save a ride” necessities. Straps on. Stays on. No matter what.

Expand the MoJavi’s carrying capacity by adding an Ochocho Enduro Tail Pack or Klamath Tail Rack Pack in place of the removable center Tool Pouch.

Mojavi Saddlebag fits virtually every dirt bike, supermoto and dualsport motorcycle make and model.

“Probably the best additions were the Giant Loop ‘MoJavi’ saddlebags, which is where we stuffed all of our heavy items. Our shoulders thanked us. With the weight off our backs and secured to the bikes, we could ride twice as long without getting tired.”

— Quinn Cody, Dirt Bike magazine

INCLUDES ONE Hot Springs Heat Shield (laser-cut aluminum) + stainless steel clamp

SISKIYOU PANNIERS™

PART NO. SPN
MSRP \$700.00

The convenience of hard panniers with all of Giant Loop's performance advantages – rugged, rackless, stable and lightweight.

"Other than being super dusty, after months of use the Siskiyou Panniers are no worse for the wear and have served as an essential overnight riding gear pack as well as been a huge help with commuting duties. Also, since they are not bike-specific and are super adjustable, these could be the only panniers you'll need — even if you have multiple bikes."

— Dirt Rider, "DR Tested"

Giant Loop's Siskiyou Panniers™ combine the convenience of hard panniers with all of Giant Loop's performance advantages. Rugged, rackless, lightweight and stable. Secures to passenger footrest mounts and rides on rear rack and/or pillion seat (and you can still ride 2-up with a stadium cushion or Airhawk for passenger comfort!). Mounts/dismounts in minutes.

Designed to fit many adventure touring bikes with no racks; luggage loops may be required for some enduro and dual sport models.

70 LITERS

WATER PROOF

Set of two 100% Waterproof Dry Pods included with the Siskiyou Panniers.

Cable lock pass-through

INCLUDES TWO Hot Springs Heat Shields (laser-cut aluminum) + stainless steel clamps

KIGER TANK BAG™

Designed and portioned for optimal fit on twin-cylinder adventure touring motorcycles.

PART NO. KTB15
MSRP \$290.00

"The tank bag has been around for decades, but Giant Loop's Kiger is a rugged 9-liter bag designed for ADV riders who want to carry all of their gizmos. The zipperless clamshell design easily opens with gloved hands to reveal a waterproof Dry Pod bag, while the clear vinyl map pocket allows touch-screen capability for tablets and smartphones."

— Blake Conner, Cycle World Magazine, "CW Approved – New Ideas"

9
LITERS

WATER
PROOF

Unzipping one side provides access to fuel fill

Two 2-liter Pannier Pockets also can be added to the Kiger Tank Bag's harness and attach to tank, shrouds or engine guards.

Zipperless nested clamshell lid quickly opens and closes with gloves on! Designed for bigger adventure touring bikes and riders carrying camera gear and electronics, the 9-liter Kiger Tank Bag™ is the largest member of the Giant Loop tank bag family, with a generous touchscreen-friendly map pocket that fits many tablet computers and mobile devices. Yet, it's slim and trim for standing on the pegs riding off-road. Includes removable waterproof inner liner Dry Pod for wet conditions protection – better than cumbersome rain covers that fill with air and fly off.

Hook-and-loop lid attachment provides easy electronics pass-through for on-bike charging and power inside the tank bag. Tank bag mounts to harness with two separate side zippers – unzip and carry the tank bag with you, leaving the harness ready to go. And for fast fuel fills simply unzip either side of the tank bag from the harness, which is cut out to fit the fuel cap. A concave front allows fuel vent hoses to breathe.

Handy exterior coated mesh pocket faces rider. Interior mesh pocket under lid closes with zipper. Large clear vinyl map pocket fits many tablet computers with touch screen control through window. The Kiger Tank Bag is named in honor of Oregon's famed wild horses, the Kiger Mustangs.

INCLUDES waterproof Giant Loop Tank Bag Dry Pod.

FANDANGO TANK BAG™ PRO

PART NO. FTBP
MSRP \$230.00

Fits most stock fuel tanks on a spectrum of dirt, dual sport, adventure and sport machines.

"2014 Nifty 50"

— Powersports Business magazine

Unzipping one side provides access to fuel fill

Hidden pocket

Pass-through for electronics

Two 2-liter Pannier Pockets also can be added to the Fandango Tank Bag's harness and attach to tank, shrouds or engine guards.

Fandango Tank Bag PRO™ (8 liters) represents a major upgrade of Giant Loop's popular tank bag. Expandability, electronics compatibility, and features driven by rider feedback inspire this Adventure Proof state-of-the-art design.

An electronics pass-through enables on-bike charging and power inside the tank bag and/or the clear vinyl map pocket top. Interior fully lined with hook-and-loop accepting fabric (compatible with many camera bag dividers).

Movable divider with elastic organizers and tire pressure gauge holder, and an exterior mesh pocket keep everything in its place.

The Fandango PRO's underside includes a concealed document pocket, and two separate side zippers for easy mounting to harness.

INCLUDES waterproof Giant Loop Tank Bag Dry Pod.

DIABLO TANK BAG™ PRO

PART NO. DTBP
MSRP \$210.00

Fits most fuel tanks on a wide spectrum of dirt, dual sport, adventure and sport motorcycles.

"You may have seen this orange tank bag show up in a few of our recent adventure photos. It has quickly become one of my favorite accessories. It now goes with me nearly everywhere. I always seem to be carrying all kinds of stuff around with me when I head out for dual sport rides. Much of it goes in my backpack. The tank bag is a perfect option to take some of that weight off my back, particularly for overnight trips. The smallish design is slim, but holds a surprising amount of gear."

— Chilly White, Enduro360.com, "Giant Loop Tank Bag For Dirt Bikes"

4
LITERS

Pass-through for electronics

Unzipping one side provides access to fuel fill

INCLUDES waterproof Giant Loop Tank Bag Dry Pod.

Two 2-liter Pannier Pockets also can be added to the Diablo Tank Bag's harness and attach to tank, shrouds or engine guards.

Diablo Tank Bag Pro™ (4 liters) upgrades are similar to its larger cousin, the Fandango Tank Bag PRO, while remaining true to its minimalist, slim, trim design.

An electronics pass-through enables on-bike charging and power inside the tank bag and/or the clear vinyl map pocket top. Other key features: Full interior lining with hook-and-loop accepting fabric, movable divider with elastic tire pressure gauge holder, exterior mesh pocket and D-ring mounts for optional Pannier Pockets (2 liters each side).

Fuel fills are now easily accessed by simply unzipping either side from the harness, and the concave front allows vent hoses to breathe.

Fits virtually any motorcycle make/model — dirt bike, dual sport, enduro, adventure touring and sport bike — with metallic or non-metallic tanks/shrouds.

ZIGZAG HANDLEBAR BAG™

PART NO. ZHB

MSRP \$55.00

Motorbike glove box named for Oregon's scenic Zigzag River. Straps to most motorcycle handlebars.

"Giant Loop's smallest offering is the Zigzag handlebar bag. It works as a dirt bike glovebox for your registration and insurance cards, wallet, phone and other small items. It's made from military-spec materials and features an internal, mesh, zippered pocket. The Zigzag's 1.5-liter volume makes it perfect for technical riding."

— Dirt Bike magazine, "Adventure – The Goods"

Carry the bare bones basics, completely out of the way. Perfect for dirt bikes and technical riding.

Our smallest bag yet – it's the dirt bike glove box! Sometimes you only need the bare bones basics — wallet, phone, registration/insurance cards and other small items. Perfect for dirt bikes and technical riding. Also attaches to Giant Loop Saddlebags, Panniers and Dry Bags, as well as frame rails, tail racks, engine guards and more. Backed by a Limited Lifetime Warranty.

Named for Oregon's scenic Zigzag River on Mt. Hood.

BUCKIN' ROLL TANK BAG™

PART NO. BNR2
MSRP \$235.00

Modular tank bag system for dirt, dual sport and adventure touring motorcycles.

"...the ability to cover some ground on your machine and carry enough goods to survive without killing the handling of the machine makes the Giant Loop Buckin' Roll a focused and positive adventure/dual-sport product."

— Dirt Bike magazine

Named for saddle pads used by rodeo cowboys, our most minimalist tank bag is perfect for riders who "don't like tank bags." The Buckin' Roll Tank Bag fits virtually any motorcycle — and keeps all the essentials handy and out of the way when standing on the foot pegs.

The Buckin' Roll Tank Bag consists of three components, which can be used individually or in any combination: harness, center Tool Pouch case and Pannier Pockets™.

Pannier Pockets also can be added to Giant Loop's Kiger/Fandango/Diablo Tank Bags, or used independently. The 2-liter center case secures to the harness with cam buckle straps. Two 2-liter Pannier Pockets attach to tank, shrouds or engine guards.

Fits most motorcycle makes/models.

PANNIER POCKETS™

Straps to radiator shrouds, tank, body panels or engine guards.

PART NO. PNN
MSRP \$95.00

"Pannier Pockets were amazing! I put two 1.89 Liter (1 extra gallon total) containers of fuel to extend the range on my moto! Carried the weight well without any issues, plus blocked some of the unexpected arctic winds/hail that we experienced on the trip out! I'm only 5'10, so I fit really well with them. My friend sat on my bike and he's 6'6 and he still could have used them."

— Charles North Rim Grand Canyon Expedition

Giant Loop's minimalist version of tank panniers, our Pannier Pockets can be used alone with the included webbing strap across the middle, and sides strapped to tank, shrouds or engine guards.

Pannier Pockets also can be added to Giant Loop's Kiger/Fandango/Diablo Tank Bags. The two 2-liter Pannier Pockets integrate with the harness of the Kiger/Fandango/Diablo Tank Bag 2014 and later models (both PRO and standard). Pannier Pockets also can be added to all previous model Fandango/Diablo Tank Bags with the included webbing strap.

Pannier Pockets also can be added to Giant Loop's Kiger/Fandango/Diablo Tank Bags.

Pannier Pockets included with Buckin' Roll Tank Bag, see page 25

KLAMATH TAIL RACK PACK™

Like a tank bag for the rear of the bike, secures to virtually any motorcycle tail rack.

PART NO. KRP15
MSRP \$170.00

"Like a tank bag for the rear of bike, the low-profile Klamath Tail Rack Pack keeps gear organized and easily accessible, securing to virtually any motorcycle tail rack."

— BMW Owners News magazine

Like a tank bag for the rear of bike, the low-profile Klamath Tail Rack Pack keeps gear organized and easily accessible, securing to virtually any motorcycle tail rack. The 4-liter soft luggage case features a zipper-less nested clamshell design inspired by classic motorcycle rally racing packs.

Mounting options include 2 Forward Tension Mounting Straps (36" adjustable/removable, 4 Fender/Rack Hook Mounting Straps and 1 Webbing Mounting Strap (36"). Riders can use various combinations to suit a broad spectrum of motorcycle make/models, and tail rack designs. The Klamath Tail Rack Pack also can be used in conjunction with Giant Loop's MoJavi Saddlebag, mounting in place of the saddlebag's removeable Tool Pouch.

Fits virtually any motorcycle make/model — dirt bike, dual sport, enduro, adventure touring and sport bike. Tail rack or MoJavi Saddlebag highly recommended.

INCLUDES waterproof Giant Loop Tank Bag Dry Pod.

OCHOCO ENDURO TAIL PACK™

PART NO. OEP15
MSRP \$60.00

Ultimate tool pouch or hard mounted tail pack.

"Reduce fatigue and improve endurance by putting the weight on your bike and not your back."

— Adventure Motorcycle Magazine

Includes stainless steel hardware

K.I.S.S.!* (K.I.S.S. = Keep It Simple, Stupid!) Bolts or straps onto dirt bike rear plastic fender or tail rack – and it's not coming off! Or use it unmounted as the ultimate camera bag, goggles case (fits 2 pair), tools, tubes, gloves and gear bag and throw it into your saddlebag. Less is truly more – on many rides this is all you need. Take the weight off your body and put it on the bike. Go light! Go fast!

Hard mount designed primarily for Dirt, Enduro and Dual Sport motorcycle types. Drilling required for bolt-on fender mounting.

POSSIBLES POUCH™

Adds two liters of easy-access storage to any GL saddle bag or panniers.

PART NO. PSP

MSRP \$50.00

The universal Possibles Pouch™ adds 2-liter easy access storage capacity to Giant Loop saddlebags and panniers — and any other secure attachment point on virtually any motorcycle make or model. Includes 2 webbing and thumb-lock buckle straps.

FENDER BAG: Possibles Pouch + Rubber Boa Straps = fender bag for dirt bikes

ENGINE GUARD BAG: Possibles Pouch + 20" Pronghorn Straps = crash bar bag for adventure bikes

Named for the leather pouches carried by frontier explorers to keep critical gear, or “possibles,” in one handy location. The Possibles Pouch is perfect for the many relatively small, lightweight motorcycling essentials: 21" front inner tube, snacks, beverages, gloves and tools.

2
LITERS

ADVENTURE
PROOF

“The Possibles Pouch adds 2 liters of easy access storage capacity to Giant Loop saddlebags and panniers — and just about any other secure attachment point on virtually any motorcycle make or model.”

—Adventure Motorcycle Magazine

Can be mounted to front, side or back of saddlebag.

Can be mounted to the crash bar.

See Fender Bag, page 44

COLUMBIA DRY BAG™

PART NO. CDB15
MSRP \$170.00

Better than top-loading duffels, the 100% waterproof Columbia Dry Bag opens from both ends, providing quick access to gear without unstrapping the Dry Bag from the motorcycle.

Four integrated anchor straps secure the Columbia Dry Bag to virtually any large motorcycle make or model. Compatible with GL's Siskiyou Panniers and most hard luggage, the 70-liter Columbia Dry Bag includes a shoulder strap and two molded carry handles, and its airline-friendly carry-on luggage size makes it the go-to choice for fly-and-ride motorcycle travel.

An exterior mesh "wet" pocket with zippered access from both sides separates wet gear from dry gear inside, or provides quick storage for travel documents, maps and other small, flat items. Multiple heavy-duty D-ring attachment points add stability when riding off-road. Lash points can be used to secure GL's Possibles Pouch or other lightweight gear to the outside of the Columbia Dry Bag.

Fits virtually any adventure touring motorcycle make/model — and many other bike types.

"New Columbia Dry Bag Raising the Bar In Motorcycle Tail Bags - Giant Loop's newest 70-liter dry duffel bag gets bigger, better and smarter."

— ADV Pulse

TILLAMOOK & ROGUE DRY BAGS™

100% waterproof double ended roll top bags, in two sizes, keep gear dry and easily accessible.

Expand packing capacity of all Giant Loop adventure packing systems.

"The double-ended openings eliminate the need to empty the contents of the bag to get at the item that would otherwise be at the bottom. The built-in compression straps make for a more compact and stable load. Finally, the 'daisy chain' straps provide a series of direct tie-down points, unlike other bags, which for stability must be squashed tightly against the surface onto which they are mounted."

— BMW Owners News magazine

TILLAMOOK DRY BAG

The 100% waterproof Tillamook Dry Bag (38 liters) is designed to attach to Giant Loop's Great Basin Saddlebag and Siskiyou Panniers. But it can be secured on virtually any motorcycle make or model, making it indispensable equipment for a broad spectrum of on-road and off-road motorcycle riders.

Without unstrapping the Tillamook Dry Bag from the bike, gear can be accessed from two ends. Two beefy reflective daisy chains provide plenty of secure attachment points.

The Tillamook Dry Bag is named for the Tillamook State Forest, one of the wettest, greenest parts of Oregon — and renowned for its technical dirt bike riding.

Add Pronghorn Straps chained together to lash the Tillamook Dry Bag to a tail rack, hard luggage or Siskiyou Panniers.

Pictured on Coyote

PART NO. TDB
MSRP \$90.00

38 LITERS

Secures to Siskiyou Panniers, tail rack or pillion seat.

ROGUE DRY BAG

The 100% waterproof Rogue Dry Bag (17 liters) is designed to attach to Giant Loop's MoJavi Saddlebag, Coyote Saddlebag, Great Basin Saddlebag and Siskiyou Panniers. But it can be secured on virtually any motorcycle make or model, making it indispensable equipment for a broad spectrum of on-road and off-road motorcycle riders.

Without unstrapping the Rogue Dry Bag from the bike, gear can be accessed from two ends. Two beefy reflective daisy chains provide plenty of secure attachment points.

The Rogue Dry Bag takes its name from Oregon's wild and scenic Rogue River.

Add Pronghorn Straps chained together to lash the Rogue Dry Bag to a tail rack, hard luggage or Giant Loop saddlebags and panniers.

PART NO. RDB
MSRP \$75.00

17 LITERS

Secures to MoJavi, Coyote and Great Basin Saddlebags, Siskiyou Panniers, tail rack, etc.

GIANT LOOP MOUNTS

NEW
FOR 2016

PART NO. GLM15
MSRP \$15

(SET OF 2)
Stamped and coined stainless steel quick mounts bolt onto bike, keeping straps away from hot exhaust headers, shortening straps lengths for maximum stability and speeding installation of Giant Loop Saddlebags and Tank Bags. Set of 2.

HOT SPRINGS HEAT SHIELD™

PART NO. HSHS3
MSRP \$30.00

Dimensions: 6" long X 2.75" wide X .75" tall

Don't get burned! Giant Loop's ingeniously simple and effective exhaust shield protects bags and bodywork from heat damage. The Hot Springs Heat Shield helps avoid the meltdown, preventing bags and side panels from touching your bike's exhaust. It's the lightweight, universal heat problem-solver for virtually any motorcycle exhaust system.

Highly recommended for the MoJavi Saddlebag, and as additional protection for dual exhaust motorcycles using all Giant Loop Pannier and Saddlebag systems!

Includes one stainless steel clamp.

HOT SPRINGS GRANDE HEAT SHIELD™

PART NO. HSHSG
MSRP \$50.00

Universal exhaust heat solution protect exhaust and prevents melting. Mounts on muffler with stainless steel clamp. Includes two stainless steel clamps.

Dimensions: 10" long X 3.75" wide X .75" tall

PART NO.PHS26	PART NO.PHS20	PART NO.PHS16
MSRP \$20.00	MSRP \$18.00	MSRP \$16.00

PRONGHORN STRAPS™

Every motorcyclist needs a handful of these multi-purpose, stretch polyurethane straps with virtually unbreakable fasteners. You'll find a million uses for these quick, solid, tough straps. We've been using them for years to secure everything from luggage to water and fuel bottles to our Bushwackers Hand Guards.

Sold in packages of 2, available in three color-coded lengths with Giant Loop's iconic cow skull graphic and our design mantra: "Go Light. Go Fast. Go Far."

Named for the Pronghorn (often called an antelope, which is an African animal and not related to the American Pronghorn) indigenous to the American West, fast, tough and able to withstand the harsh environments of the Great Basin.

PRONGHORN STRAPS – SPECS & FEATURES

- Super tough stretch polyurethane
- Unbreakable unfastener
- Adjustable from 4" to 26"
- Width 3/4"
- Made in Taiwan

"The best way to attach things to your motorcycle."

— Cycle World

PART NO. TSS15
MSRP \$12.00

TRAVELER SHOULDER STRAP (universal clip-on luggage carry strap)

The Traveler Shoulder Strap is Giant Loop's universal clip-on luggage carry strap. Clip it to your Dry Bag or Tank Bag for adventures off the bike. Attach it to your Saddlebag or Panniers for hands-free carrying to your hotel or campsite.

VINYL PROTECTIVE FILM™

HIGHLY RECOMMENDED TO PREVENT SCUFFS AND SCRATCHES!

PART NO. VPF
MSRP \$25.00

Vinyl Protective Film takes the abuse – NOT your painted and plastic surfaces. Protect bodywork and plastics from scuffing or marks under Giant Loop's saddlebags and tank bags. Even a single ride can buff the shine off your gloss coat. Take a few minutes now to keep your bike looking like new. 3 sheets of 12" x 18".

BUSHWACKERS HAND GUARDS™

Droppin' into the weather? Combine Bushwackers with rigid hand guards/deflectors and heated grips for the ultimate protection against the elements. Ride safer and longer with warm, dry and clean hands and controls.

REQUIRED EQUIPMENT: Motorcycle must be equipped with rigid hand guards or deflectors to support Bushwackers while riding.

PART NO. BWH
MSRP \$40.00

RUBBER BOA STRAPS™

Confidently put the squeeze on a spare inner tube, tools, water or other essential gear with Giant Loop's Rubber Boa Straps™ hooked to dirt bike fenders. Rubber Boa Straps apply dynamic tension with stretch elastic shock cord and a simple locking slot, creating a dead-solid connection between plastic fenders and relatively small and lightweight gear, even in demanding off-road terrain. Available in a package of two.

The super tough and stable Rubber Boa Straps fit most standard plastics.

NOTE: Not compatible with 2015-2016 KTM plastics. Rubber Boas are dead solid on earlier KTM models and virtually every other make/model dirt or dual sport bike.

- Military-spec ¼-in. shock cord
- Heavy-duty injection molded fender hooks
- Limited Lifetime Warranty
- Made in USA

PART NO. RBS
MSRP \$25.00

GIANT LOOP TANK BAG DRY POD

UPGRADE FOR FANDANGO/DIABLO TANK BAG AND KLAMATH TAIL RACK PACK

PART NO. TDP15
MSRP \$30.00

6
LITERS

Upgrade your Giant Loop Fandango Tank Bag, Diablo Tank Bag or Klamath Tail Rack Pack to waterproof* with the Giant Loop Tank Bag Dry Pod. This seam-sealed liner bag features a hefty YKK water resistant zipper and heavy duty side release buckle closure. Use this high visibility yellow, removable Dry Pod for wet conditions protection – better than cumbersome rain covers that fill with air and fly off.

*Waterproof under normal riding conditions when used inside Giant Loop tank bags – not submersible.

GIANT LOOP QUICKLOOP CABLES

SECURES GREAT BASIN SADDLEBAG, SISKIYOU PANNIERS AND OTHER GEAR TO MOTORCYCLE

36" length

PART NO. QL36
MSRP \$15.00

84" length

PART NO. QL84
MSRP \$20.00

FENDER BAG

PART NO. FDBG
MSRP \$65.00

Dead solid and stable 2-liter zippered Fender Bag fits most standard dirt bike plastics. Perfect for many relatively small, lightweight motorcycling essentials: 21" front inner tube, snacks, gloves and tools.

NOTE: Not compatible with 2015-2016 KTM plastics. Rubber Boas are dead solid on earlier KTM models and virtually every other make/model dirt or dual sport bike.

- Volume: 2 liters
- Dimensions: 5.25" x 2" x 9.5"
- Includes 2 Rubber Boa Straps – mil-spec elastic shock cord with heavy-duty injection molded components
- 18 oz vinyl coated polyester Bomb Shell™ with 14 oz. vinyl coated polyester storm flap
- Beefy YKK coil zipper
- MOLLE-style webbing lash points
- Reflective accents for visibility
- Mil-spec materials and hardware
- Limited Lifetime Warranty
- Made in USA

We want you to be 100% stoked with your Giant Loop purchase — and if you're not, we need to hear about it, so we can make things right for you. Giant Loop provides to the original purchaser a limited lifetime warranty against defects in materials or craftsmanship if purchased directly from a Giant Loop authorized dealer. This warranty covers defective materials and craftsmanship only, and does not include damage due to normal wear and tear or misuse. Failure to comply with the included instructions for this Product will void the limited lifetime warranty. If defects in the materials or craftsmanship of the Product exist, notify Giant Loop immediately of the defect. Giant Loop will provide for repair or replacement of the Product, after Giant Loop has determined, in our sole discretion, that a defect is present. Proof of purchase is required to utilize the limited warranty provisions. If you experience any problems with the Product within the warranty period please return the Product or contact us for prompt repair or replacement at our discretion.
